Blue Mountains valleys, villages and waterfalls: this two day walk will take you on a journey along the escarpment high above the Jamison Valley, in World Heritage-listed Blue Mountains National Park and through scenic Blue Mountains City Council locations.

Experience superb views towards Mount Solitary and the Three Sisters as you traverse exhilarating

cliff-edge tracks with villages to explore along the way.

Starting in Wentworth Falls and travelling through Leura to Katoomba, you will tread historic heritage walking tracks as you explore lookouts, waterfalls, rainforest and flora and fauna. Highlights include the Three Sisters Aboriginal Place, Wentworth Falls waterfall, hand-built historic and restored sandstone tracks and lookouts, sightings of lyrebirds and yellow-tailed black cockatoos, and unique villages with cafés, restaurants and accommodation.

As you walk, listen for the call of the yellow-tailed black cockatoo (Wumbarrung in Gundungurra language). The Wumbarrung has special significance to Gundungurra traditional

custodians, and its flight reflects the moods and seasons of Gundungurra Country. It's also the wayfinding icon for Grand Cliff Top Walk.
